Gurukrupaa Group

From the desk of Chairman

Education serves as the bedrock of all advancement, propelling our venture into new frontiers. While our primary focus remains on achieving academic distinction, we also champion a comprehensive approach, fostering the development of versatile individuals primed for success in a dynamic landscape of opportunity.

The school is also devoted to preparing students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant.

The entire purpose of education is not to restrict itself to impart bookish knowledge only but inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student. Education is a shared commitment between dedicated educators, motivated learners and enthusiastic parents with high expectations.

Shree Gurukrupaa Vidhya Sankul imparts education that is based on conscience a breed of young minds that are bustling with self-confidence, motivation and ever ready to face challenges.

We are confident that this school is the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to your support.

**At SGVS,
we offer top-tier
education with
a focus on
preparing students
for their future.**

In collaboration with India's finest institutes

& ADITYA CHHAWCHHARIA ACADEMY

With state-of-the-art laboratories and comprehensive academic support, we ensure that every student is equipped to excel in both their board exams and competitive challenges ahead.

SGVS is your child's gateway to SUCCESS!

Spoken English Program

For Class 3rd to 12th

Empowering Students with Fluency & Confidence

At Gurukrupaa, we are committed to providing our students with the skills they need to excel in today's world. That's why we have partnered with Ed5's Spoken English Program, a comprehensive course designed to enhance language proficiency and boost confidence among students from Class 3rd to 12th.

With English being the global language of communication, mastering it is essential for academic success, career growth, and personal development.

Our Spoken English program focuses on:

- Nurturing Confidence & Personality Development
- Effective Communication Skills for Everyday and Professional Life
- Academic Advantages through Improved Fluency & Expression
- Unlocking Global Opportunities for Future Success

Program Highlight:

Structured Learning Approach: Covers Grammar, Vocabulary, Creative Writing, Literature, and Business English across three levels – Beginner, Intermediate, and Advanced.

Interactive Content: Engaging recorded video lectures, theme-based eBooks, and practice exercises for effective learning.

Real-World Application: Practical exercises using real-life scenarios to enhance speaking abilities and boost confidence.

Teacher Empowerment: Well-trained educators ensuring the best learning experience with continuous support and handholding.

With Ed5's expert-designed curriculum and personalized approach, students will develop their spoken English skills in an engaging and supportive environment, preparing them to excel in academics and beyond.

Let's soar to greater heights with fluent English and unstoppable confidence!

“

At SGVS, we believe in nurturing the whole child. Our state-of-the-art facilities offer a wide range of extracurricular activities, both during and after school hours. From sports and music to art and drama, our programs foster curiosity, creativity, teamwork, and character development. By integrating academics with extracurricular pursuits, we provide a holistic education that prepares students for success. Our aim is to create confident and well-rounded individuals.

Unlock the Future with Innovation and Creativity

The Aerobott STEAM Course with Drone Technology offers students an exciting opportunity to explore the world of drones while strengthening their skills in science, technology, engineering, arts, and mathematics (STEAM). This program combines theoretical knowledge with hands-on learning, allowing students to understand key concepts such as aerodynamics, flight mechanics, and drone construction. Through engaging projects, students will design, build, and program their own drones, fostering creativity and critical thinking. The course challenges them to apply STEAM principles to real-world problems, while enhancing problem-solving and teamwork skills. By integrating engineering, technology, arts, and mathematics, students will discover how these fields come together in innovative ways. This course empowers students to develop the skills needed to thrive in a technology-driven future.

The best gift
you can give
your young
ones is a strong

Choosing the right school is a crucial decision that shapes your child's future. Here are 10 key factors to consider to ensure a safe, nurturing, and growth-oriented environment for your child.

- Safety and Security:** Ensure the school has gated entry, CCTV surveillance, and trained staff for student safety.
- Qualified and Passionate Teachers:** Look for experienced, caring, and qualified teachers who foster a love for learning.
- Holistic Development:** The school should offer a balance between academics, arts, sports, and extracurricular activities.
- Infrastructure and Facilities:** Modern Smart classrooms, well-equipped labs, library, and clean recreational spaces are essential.
- Focus on Values and Emotional Growth:** A nurturing environment that teaches values like empathy, teamwork, and respect.
- Competitive Exam Preparation:** For older students, check if the school provides support for competitive exams like JEE or NEET.
- Transport and Accessibility:** Safe and reliable transport facilities with GPS tracking and trained drivers.
- Parent-Teacher Communication:** Regular interaction between parents and teachers for updates on the child's progress.
- Focus on Innovation and Technology:** Smart classrooms, access to technology, and creative learning methods should be part of the curriculum.
- Extracurricular and Sports Programs:** A range of activities to promote physical fitness, creativity, and leadership skills.
